Karel Ryan, vice chair  
Connie Bailey Kitts, trustee  
Ginger Branton, trustee  
Erica Galloway, TCPL Director  
Cassie Ogle, TCPL Technical Services Librarian

Absent: Michele Crigger, trustee

1. CALL TO ORDER: Meeting called to order by Chair Roberts at 3:35 pm.

2. CONSIDERATION OF APPROVING THE AGENDA FORMAT
ADDITIONS/DELETIONS: Trustee Branton requested the addition of an item under unfinished business regarding financial commitment from the trustees. Trustee Ryan requested the addition of an item under unfinished business regarding the signage for the Pocahontas branch. Trustee Branton made a motion, with a second by Trustee Ryan, to approve the agenda with additions. With all in favor and none opposed, the motion carried.

3. APPROVAL OF MINUTES: Trustee Kitts read and submitted a statement of intent in response to a line from section 7.a. on page 5 of the July 21, 2022, minutes ("Chair Roberts requested that it be noted in the minutes that Trustee Kitts interrupted the motion three times."):  

"On page 5 where the minutes say “Chair Roberts requested that it be noted in the minutes that Trustee Kitts interrupted the motion three times,” I would like to make a statement that’s only two minutes long, to be added to this month’s minutes.

First, my motivation is to serve appropriately as a representative appointed by the Eastern District supervisor, acting on behalf of the constituents of the county. It would be irresponsible for me to vote on something with partial ignorance, and I
had that level of ignorance in this matter. It was a serious matter, because our Board, a public body, was considering pursuing legal remedies against another public body, the Town of Richlands.

And through no fault of my own, I was less informed than other trustee board members. I hadn’t seen the lease, and only the deed was circulated during the discussion. And there wasn’t a written summary of prior discussions that had taken place between Library Foundation members and Richlands Town officials, which were discussed during the meeting.

So contrary to interrupting a motion when it came to the floor, I asked questions about it. Parliamentary procedure allows for questions and discussion after a motion. Other people--other trustees asked questions. In fact, during this 55 minute discussion I’m confident I was the least vocal of a four-person discussion, and I’m confident that my questions consumed no more than 4 minutes, 5 at the most. Other members also suggested alterations to the wording of the motions at various times.

Yet the Chair characterized me as “inhibiting progress” and told me I had dominated the conversation. I would challenge anyone present to prove the accuracy of that. My questions were an effort on my part to be informed, so I could give an account to those constituents and authorities who put me on this board.”

Chair Roberts asked for a motion to add Trustee Kitts opinion of response. Trustee Ryan made a motion, with a second by Trustee Branton, to accept Trustee Kitt’s statement into the current month’s minutes. With all in favor and none opposed, the motion carried.

Trustee Branton made a motion to approve the July 21, 2022, meeting minutes with the suggested edits; seconded by Trustee Ryan. With all in favor and none opposed, the motion carried.

6. UNFINISHED BUSINESS:

a. Richlands Renovation Project:
   i. Legal Counsel: The Foundation agreed to pay for legal counsel, which includes one lawyer, for $150.00 per hour. Director Galloway issued a check for $2,500 for the retainer fee from the Foundation and Chair Roberts signed the retainer. The Foundation directors did not elect to replace the word litigate since a writ of mandamus may be necessary which is a form of litigation.
   ii. Huber Bid Package: The legal counsel advised waiting to put the bid packet out until after a meeting with the mayor, town manager, and lawyer for the
Town of Richlands. The notice to proceed has not been sent to Huber Architects.

Trustee Kitts noted that not all the Board of Trustees members have the same level of knowledge about the Richlands Renovation project.

Trustee Kitts made a motion, with a second by Trustee Ryan, to provide copies of the signed lease and deed. Discussion after the motion: Chair Roberts agreed with Trustee Kitts that there is a lack of communication between the TCPL Foundation board and the TCPL Board of Trustees. She also suggested providing copies of additional documents.

Trustee Kitts amended the motion, with a second by Trustee Ryan, to provide copies of the Foundation board minutes, and signed copies of the lease, deed, and will to the Board of Trustees members. No further discussion. With all in favor and none opposed, the motion carried.

iii. Financial commitment from the Board of Trustees and fundraising committee: Trustee Branton requested that the members of the Board of Trustees make a financial commitment to the Richlands renovation project. Trustee Ryan stated that they are in a volunteer position and do not receive compensation for their time as members of the Board of Trustees and that making a financial commitment is not required. Trustee Kitts said that they already make in-kind commitments.

b. Pocahontas Signage – Tabled until next meeting.

7. NEW BUSINESS:

a. Acknowledging Donors: Trustee Branton sent thank you letters to donors for the Richlands Renovation project on behalf of the Foundation board. The Trustees
